Pre-Order Yours Today!

Track and capture every detail with confidence.

Nikon's advanced deep learning-based AI technology and smart
autofocus automatically detects and tracks nine distinct subjects,
including dedicated [Bird] and [Airplane] modes.

Unlock new opportunities in low light.

Conquer low light like never before. Nikon's stunning high ISO
image quality, powerful vibration reduction, and cutting edge -10EV
focus detection¹ is the perfect match for live performances,
astrophotography, nightscapes and more.

Easily shoot in direct sunlight.

See every detail, with a class-leading² electronic viewfinder that's
6x brighter than competitor models.

Camera to cloud.

Connect your Z5II to Nikon Imaging Cloud and get access to
downloadable Picture Controls, automatic image transfer to
preferred storage sites³ and automatic firmware updates.⁴
